

Boy's Johnnie Lax Camp '10
St. John's University in Collegeville, MN
June 17-20

Camp Overview

The Johnnie Lacrosse Camp is designed not only to improve individual camper's lacrosse skills and knowledge of the game, but also to provide a truly unique learning experience. This one of a kind experience focuses on creating an environment that fosters new relationships while being immersed in all that the largest campus in the nation has to offer. The camp price is extremely competitive for a four day and four night residential camp, especially if one takes advantage of discounts. The camp is also offered at day camp rates for those that are able to make the commute to and from St. John's daily. Campers will be divided by age and skill level to ensure proper teachings and matching of peers during individual position training, group/team concepts, special position sessions, and live game situations. Special guests such as Harrow's regional representative Brock Simon will also be on site displaying the latest and greatest lacrosse gear. This is a rare opportunity for you to see and tryout the most current lacrosse equipment. Gear will also be available for purchase.

Staff

The Johnnie Lacrosse camp staff has been carefully chosen based on their love and ability to play the game, as well as their ability to instruct and relate to each individual camper. Camper-counselor ratios are guaranteed to be 9:1, or lower. The camp staff consists of talented players and coaches from premier club and varsity teams.

Ages and Grade Levels

Ages 12-18

Campers will be divided by age and skill level to ensure proper teachings and matching of peers during individual position training, group/team concepts, special position sessions, and live game situations. Typically, groups consist of 7th-8th graders and 9th-12th graders, possible movement after further individual player analysis by camp staff. There will also be sessions where all campers will be together, as this is also crucial to player development.

Facilities

All athletic and entertainment facilities will be available to campers for use during their stay at St. John's University. Facilities include Clemens turf stadium, Grass lacrosse fields, Palestra field house, Underground pool with high dive, Weight room, Gymnasium, Cafeteria, Dormitories (equipped with bedding, towels, pillows and soap), Movie theater, Lake Sag Beach, and numerous other fun activities unique to the SJU Campus.
